Alex Wong, Chief Information Officer, Sumaria Systems

Before joining Sumaria, Alex held IT leadership positions at several fortune 500 firms where he worked with corporate leadership to formulate and execute technology strategies to effectively grow and support the business. Alex is a proven leader with more than 25 years of IT management experience and a track record of delivering value. His background includes software engineering, DevOps, cloud computing, BI and infrastructure. Alex has a Master of Science degree in computer engineering from Stanford University and a Bachelor of Science degree in computer engineering from the University of Texas at Austin.

"In his role as CIO, Alex will be responsible for building a world-class IT organization and driving success for our customers by guiding Sumaria's offerings of DevOps, cloud, big data, Cyber, AI and other technologies," said Dave Dzarán, CEO. "In addition to his technical background, Alex is an accomplished leader, and we are fortunate to have him on our management team."
